

Teamsters Support Angie Craig for Re-Election to Congress

Congresswoman Craig voted for the Butch Lewis Act to protect and preserve your hard-earned pension.

MEET ANGIE

Congresswoman Angie Craig grew up in a mobile home park where she was raised by a single mom and her grandmother - who worked in a union shoe factory into her 70s and taught her to work hard through tough times. Angie went on to work for a major Minnesota manufacturer, and is now a mom to four boys, the oldest of whom recently completed trade school.

ANGIE SUPPORTS LABOR UNIONS

Angie is committed to protecting the rights of labor unions to collectively bargain for fair, safe workplaces, because she understands that organized labor has built our middle class.

ANGIE FIGHTS FOR MINNESOTA INFRASTRUCTURE

- **Passed the Water Resources Development Act** with bipartisan support, securing essential funding for the Mississippi River and the communities and businesses that rely on it to export their goods, drive economic growth and effectively respond to floods.
- **Worked to secure funding for local transportation improvements**, like adding a lane and interchange on I-35 in Lakeville to ease traffic, improving Highway 52 in Goodhue County, and completing outstanding projects on Highway 13 that will improve freight access.
